

Center's Story Contest

The Center wants to hear from you!

**We love to see your drawings and read your stories, poems, advice, and insights!
Please help us learn how we have transformed your lives through our services.**

Who can share?

If you are a current or former client of the Center or one of our partner organizations, please share with us!

What should I share?

Write a poem! Record a video! Tell us a story! Draw a picture! Whatever you want to share! Give us your best advice about navigating communication issues!

Maybe you can tell us what it was like when you first got your hearing aid or something great that happened in speech therapy? Or even some advice about stuttering? Whatever you decide to share, we cannot wait to see it and one thing is for sure: it will help others know that others feel the way they do.

How should I share it?

We love receiving your original artwork, poems, letters, and/or photos! Please send them to:

Center Story Contest

Center for Hearing & Speech

9835 Manchester Rd., Rock Hill, MO 63119

Or Bookers@chsstl.org (jpg file or pdf file)

I am afraid we cannot accept photocopies or faxes of photographs.

When should I share it?

Submit now until October 31st.

Do I need special permission?

Yes! Please make sure to fill out the permission form and send it to us, too. I am afraid we cannot enter you into the contest if you don't send that in with your submission.

What happens next?

All of us at the Center cannot wait to see what you say or draw! After the contest is over, we will look at each and every submission and share it with everyone here that helps to make ours a better community. We may even share some of them with our other supporters and clients!!!

We will pick one we think best illustrates the work we do here and the impact we make. Then the lucky winner will win a gift card from a local or national retailer.

GOOD LUCK!
